As a result of a Federal Motor Carrier Safety Administration (FMCSA) online PIN request, the following PIN is provided
1U73GW5H.

FMCSA strongly recommends the safeguarding of your PIN to prevent unauthorized access to your information.

Go to <http://www.fmcsa.dot.gov/documents/alerts/Protect-Your-PIN-Number.pdf> for safeguarding tips.

FMCSA Officials DO NOT issue PIN's, or ask for your PIN, Credit Card, or Banking Information by telephone!

If you made this request, no further action is required.

If you did not submit this request, please report erroneous receipt by contacting FMCSA at [1-800-832-5660](tel:1-800-832-5660).
