Dear Taxpayer:

Congratulations on registering your business with the Texas Secretary of State. In addition to being the state's chief financial officer and tax collector, I am a strong advocate for growth in our economy, and my office plays an important role in ensuring businesses like yours continue to thrive in the state of Texas. Part of that responsibility is to be a resource when your business needs assistance.

Customer service is my top priority, and my staff is ready to help you with questions related to your business' state tax responsibilities. The agency website, www.comptroller.texas.gov, contains a wealth of resources about the various taxes we administer. There you can find publications, answers to frequently asked questions, tax rules, electronic reporting options and more. In the right hand corner of each page, there is a link to "contact us," where you will find information on how to reach us if you do not find your answer online.

The Secretary of State notified us that your company was recently registered with their office. The company you registered is subject to the franchise tax, which my office administers. Accordingly, we have created a franchise tax account based on the information you provided at the time of registration.

Please review and update your account information at your earliest convenience. Most important is to ensure the address we have on file is the address where your company wants to receive tax mailings from us.

To view and correct your account information, go to www.comptroller.texas.gov/taxes/file-pay/. If you have not used WebFile before, you will register as a new user, and there is a video to assist you with that process. When you are ready to get started, select the Franchise Tax Accountability Questionnaire under Other Electronic Reporting Tools. Select "continue to log in" at the bottom of the page to sign in. You will need the WebFile number located at the top of this letter.

The company's first franchise tax report is due on 05/15/2018 . We will send you a reminder letter with filing instructions well before the due date. You can contact our office for assistance at 1-800-252-1381.

I appreciate the work you do and the contributions you make to Texas. I wish you the best of luck in all your business endeavors.

Sincerely,

Glenn Hegar
