Bonds are not generally required of first-time applicants. However, a bond may be required if an IFTA licensee has a history of not filing tax returns on time, not remitting tax due or other problems severe enough to indicate that a bond is required to protect the interests of all member jurisdictions.

The applicant agrees to comply with reporting, payment, record keeping and license and decal display requirements as specified in the International Fuel Tax Agreement. The applicant further agrees that Texas may withhold any refunds due if applicant is delinquent on payment of fuel taxes due any member jurisdiction. Failure to comply with these provisions shall be grounds for revocation of license in all member jurisdictions.
