Dear SANTANA EXPRESS LLC:

As you requested, the Federal Motor Carrier Safety Administration (FMCSA) is providing you with a personal identification number (PIN) to update your carrier record electronically on the FMCSA Website, at <http://safer.fmcsa.dot.gov>. Your PIN number is:

PIN: 8J15CY1B

FMCSA requires that you file an updated motor carrier registration form, the form MCS-150 (Motor Carrier Identification Report), every two years.

You will need your USDOT number, PIN, and a valid credit card to file on-line. The processing of your credit card will simply serve to provide the cardholder's digital signature as a proactive measure to ensure greater security in maintaining your company's information. There will be no charge assessed to your credit card. You can use this process any time your carrier operation needs to be updated such as: name and address change, equipment, and driver information, etc. This option is not available for carriers domiciled in Mexico.

Your PIN is your personal identifier and should not be shared with anyone.

Carriers domiciled outside of the United States should only include information for drivers and equipment operated in the United States.

If you need technical assistance, please contact FMCSA support services at [1-800-832-5660](tel:1-800-832-5660).

If this letter is received at a location other than your principal office (e.g., terminal or an area office), the letter should be forwarded to your principal office.

Thank you for your cooperation.

Sincerely,

Director, Office of Information Management
