Verification of content

The insured declares that the statements contained herein are true to the best of their knowledge and belief. The insured also agrees to pay any surcharges applicable under the Company rules which are necessitated by inaccurate statements. The insured declares that no persons other than those listed in this application regularly operate the vehicle(s) described in this application. The insured understands that this policy may be rescinded and declared void if this application contains any false information or if any information that would alter the Company's exposure is omitted or misrepresented. If a federal or state endorsement is attached to this policy that subjects the Company to public liability for negligence in the insured's operation, maintenance or use of motor vehicles, the insured: (1) declares that all commercially owned or operated vehicles have been disclosed to us and are listed on this Application; (2) will promptly notify us of any additional commercially owned or operated vehicles put into service in the future; and (3) understands that failure to promptly inform us of, and list, all current and future commercially owned or operated vehicles may result in the cancellation or nonrenewal of this policy, or in a premium increase.

Notice of information practices

The insured understands that to calculate an accurate price for their insurance, the Company may obtain information from third parties, such as consumer reporting agencies that provide driving, claims and credit histories. The Company may use a credit-based insurance score based on the information contained in the credit history. The Company or its affiliates may obtain new or updated information to calculate the renewal premium or service the insurance. The insured may access information about them and correct it if inaccurate. In some cases, the law permits the Company to disclose the information it collects without authorization. However, the Company will not share personal information with nonaffiliated companies for their marketing purposes without consent. Complete details are in the Company's Privacy Policy, which will be provided with this insurance policy and upon request. The insured has or will obtain from existing and new drivers employed or contracted by the insured, an acknowledgement that their driving record information may be disclosed to the insured or their employer, contractor, or agent in connection with the insurance being applied for hereunder. The insured agrees to submit to loss control inspections as often as the Company may reasonably require. The insured agrees that refusal to submit to an inspection is grounds for cancellation of this policy.

The insured affirms that

If the initial payment is made by electronic funds transfer, check, draft, or other remittance, the coverage afforded under this policy is conditioned on payment to the Company by the financial institution. If the transfer, check, draft, or other remittance is not honored by the financial institution, the Company shall be deemed not to have accepted the payment and this policy shall be void.

If the initial payment is made by credit card, the coverage afforded under this policy is conditioned on payment to the Company by the card issuer. The insured understands that if the Company is unable to collect my initial payment from the card issuer, the Company shall be deemed not to have accepted the payment and this policy shall be void. The insured also understands that if a credit card transaction is authorized for any payment other than the initial payment, this policy will be subject to cancellation for nonpayment of premium if the Company is unable to collect payment from the card issuer. The Company is deemed "unable to collect" in the following instances: (1) when the insured reaches the credit limit on the credit card and the card issuer refuses the charge; (2) when the card issuer cancels or revokes the credit card; or (3) when the card issuer does not pay the Company, for any reason whatsoever, upon the Company's request.

Other charges

The insured agrees to pay the installment fees shown on the billing statement that become due during the policy term and each renewal policy term in accordance with the payment plan they have selected. The insured understands that the amount of these fees may change upon policy renewal or if they change their payment plan.

The insured understands that a service charge of \$20.00 will be assessed to the balance due on the policy if any check offered in payment is not honored by the bank or other financial institution. Imposition of such charge shall not deem the Company to have accepted the check unconditionally.

The insured agrees to pay a late fee of \$10.00 during the policy term and each renewal policy term when either the minimum amount due is not paid or payment is postmarked more than 2 days after the premium due date. The amount of this fee may change upon policy renewal.

Any person who knowingly presents a false or fraudulent claim for the payment of a loss is guilty of a crime and may be subject to fines and confinement in state prison.

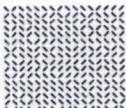

By signing below, I appoint the President of the Company, with full power of substitution, as my proxy and with authority to vote for me, in my absence, at any membership meeting. The authority granted to the President shall remain in effect for as long as I am a policyholder of the Company, provided that I may revoke the authority granted to the President at any time by providing written notice. I agree to be governed by the provisions of Chapter 912, Texas Insurance Code 2003.

Rejection of Uninsured/Underinsured Motorist Coverage

I have been offered Uninsured/Underinsured Motorist Coverage in an amount equal to the limits of Liability Coverage and I reject the option to purchase any Uninsured/Underinsured Motorist Coverage. I understand that Uninsured/Underinsured Motorist Bodily Injury Coverage protects insureds under the policy who sustain bodily injury, including any resulting death, in an accident in which the owner or operator of a motor vehicle who is legally liable does not have insurance (an uninsured motorist) or does not have enough insurance (an underinsured motorist). I understand that Uninsured/Underinsured Motorist Property Damage Coverage would have protected me if my auto sustained property damage in an accident in which the owner or operator of a motor vehicle who is legally liable does not have insurance (an uninsured motorist) or does not have enough insurance (an underinsured motorist). Insureds for purposes of this coverage include any occupant of an insured auto, and when the named insured is a person, the named insured and named insured's resident relatives.

I understand and agree that this rejection of Uninsured/Underinsured Motorist Coverage shall be binding on all persons insured under the policy, and that this rejection shall also apply to any renewal, reinstatement, substitute, amended, altered, modified, or replacement policy with this company or any affiliated company, unless the first named insured, or authorized representative of the first named insured, submits a request to add the coverage and pays the additional premium.

Rejection of Personal Injury Protection Coverage

I have been offered Personal Injury Protection Coverage as part of my commercial auto policy. I reject the option to purchase Personal Injury Protection Coverage. I understand that Personal Injury Protection Coverage would have provided protection for persons insured under the policy who are injured while occupying or when struck by a motor vehicle designed for use mainly on public roads or a trailer of any type. I understand that Personal Injury Protection Coverage would have provided coverage for necessary medical and funeral services, loss of income, and reasonable expenses incurred from obtaining replacement services incurred within three years of the date of the accident.

I understand and agree that this rejection of Personal Injury Protection Coverage shall be binding on all persons insured under the policy, and that this election shall also apply to any renewal, reinstatement, substitute, amended, altered, modified, or replacement policy with this company or any affiliated company, unless a named insured submits a written request to add the coverage and pays the additional premium.
